Live Well!

Prevent Heat Stroke – Protect life!

- Drink lots of water throughout the day.
- Stay indoors whenever you feel too warm.
- Wear lightweight, light-colored clothing, that lets air get to your skin.
- Avoid strenuous activity in the hottest part of the day (between 10 a.m. and 4 p.m.).
- Drink less caffeine and alcohol, which can contribute to dehydration.

Always keep your prescribed inhaler with you
